

Branton Community Primary School

Uniform Policy (as on the school website)

Uniform is not compulsory; however, we do encourage our children to wear it. As a school with a strong focus on being outside, our priority is more for children to be warm, dry and comfortable!

Suppliers

We do not promote any one supplier and parents are welcome to purchase items without logos from wherever they can, however items with the school logo are available from school and indicated by an * if you wish to buy them.

Second Hand Uniform

We sometimes have second hand uniform available in school. Please just ask if you are interested. We will offer any items to parents as they become available, free of charge.

As we are a small 'family' in school and nursery, our families do tend to pass on outgrown items as well, so as you get to know people you may be offered some!

Sustainability

We are working towards being a sustainable school and so the material items are made from are important to us. If you are able to source items that are made of natural materials, these will naturally degrade over time. However, the man-made fibres such as polyester and nylon will eventually end up in landfill. So please, if you are able to, consider how sustainable the items you buy are and we will endeavour to look for more sustainable items to supply.

Hair and jewellery!

We ask that all children with long hair, have their hair tied back out of their eyes for school. This is so they can make the most of the learning taking place!

When swimming at Willowburn, children with long hair will need to wear a swimming cap.

Please keep all items of jewellery safe at home. So easily lost with great upset caused.
